Your main occupation should be in fairness to yourselves,
in fairness to your parents
and indeed, in fairness to that state, to devote your

VISION & MISSION STATEMENT

Vision

Every place should be Enlightened by my Light.

Mission

Develop a productive, studious, innovative, young generation, equipped with smart skilled, positive attitude, who respect and follow the basic Islamic principles of humanity.

Our Philosophy is to follow Holy Quran

To seek knowledge is a sacred duty, it is obligatory on every Muslim, male and female. The first word revealed of the Qur'an was "Iqra" READ! Seek knowledge! Educate yourselves! Be educated. "Allah grants wisdom to whom He pleases and to whom wisdom is granted indeed he receives an overflowing benefit."

HISTORY & BACKGROUND

History & Background

The vision and mission of our institutional team pushed us to act upon the philosophy which was taught to us by our religious leaders, teachers and the parents, we come up with the idea of Allama Iqbal Model School. Like every great achievement we started with a tiny seed, and with proper care and team building by the Chairman AIMSC we grow and expand towards the needy communities. The first AIMSC was established on 23rd March 2000 in a rural area of Islamabad Capital Territory (ICT District). We started the school with 10 class rooms and 150 students. Alhamdulillah we expand the 10 rooms school to 09 campuses, highly professional staff and with huge infrastructure facilities at 09 different locations.

Approximately 5000+ students are benefitting from these campuses. We always enjoyed the trust of the students and local people so we focused on the need of people of sub urban areas of ICT district and on the demand of local people whose children are in our high schools, we started 2 colleges and upgrade our school classes to grade 12 during 2018.
